

Larry L. Guest, Mayor

It is always a pleasure for me to welcome folks to our web site for a tour of our beautiful city. As Mayor, I take great pride in many events we have going on in our community.

The Elbert Theatre is one of the major assets of Elberton. Many events take place during the year including the Elbert Theatre Foundation's seasonal productions. The Downtown Development Authority and the Chamber of Commerce work closely together to bring events to our downtown area such as the Granite City Fall Festival and Classic Car Show as well as concerts on the square.

The walking trail and park is being used by hundreds of people every week and is also used for concerts. We are constantly trying to improve our city as we work together with the county and the Development Authority to bring quality industry to our community. These are just a few things we have going on in Elberton. Please take the time to click on the different links and you will agree Elberton is definitely the jewel in Northeast Georgia.

Larry Guest was elected Mayor in 2005 and began his term in January of 2006. Prior to being elected Mayor, he served on Council for 11 years. Mayor Guest serves as the Past President of the 5th District of GMA; Member of the Board of Directors of the Northeast Georgia Regional Commission; member of GMA Transportation Committee; Chairman of the Highway 17 Transportation Committee; Member of the Savannah-Upper Ogeechee Water Council; Member of the Policy Council for the American Public Power Association; and MEAG Board Member.

Larry has been married to Gilda for over 40 years, they are members of First Baptist Church in Elberton. They have two children Alec and Erin and three grandchildren: Lexie, Tanner and Ian. Their hobbies are watching grandchildren playing sports and golfing.

Larry L. Guest, Mayor
