

WASTEWATER/WATER PLANT OPERATOR

Posting Date: December 27, 2018

Posting Deadline: Open until filled

Pay Grade: Grade 8 – Operator III; Grade 11 – Operator II; Grade 18 – Operator I

The City of Elberton is currently seeking qualified applicants for a Wastewater/Water Plant Operator.

NATURE OF WORK

An individual in this job classification is responsible for the daily operations of the wastewater and filtration plants. This position requires an individual to be able to work day and evening shifts as well as weekends.

KNOWLEDGE, SKILLS, AND ABILITIES

Applicant should have basic knowledge of operation, maintenance, and repair of pumps, motors, compressors, and similar equipment with skills in compiling and analyzing data. Applicant must also have the ability to detect flaws and defects in the operation of treatment equipment and initiate proper corrective action.

EDUCATION, TRAINING, AND EXPERIENCE REQUIRED

Applicant must possess a high school diploma or GED certification, a valid driver's license, and pass a background drug screening. Applicant must attend 40 hours basic operator training course within six months of employment and receive certification in the operation of a treatment facility.

This is a full-time position and compensation will be based on qualification and experience.

Interested individuals are encouraged to obtain a copy of the job description when completing an application. Applications are available at City Hall, Monday – Friday, 8:00 a.m. to 5:00 p.m. Submit completed applications to the City Clerk located at 203 Elbert Street, Elberton, GA 30635. Interested applicants are encouraged to obtain a full job description by contacting the City Clerk.

The City of Elberton is an Equal Opportunity Employer and a Drug Free Workplace.
