

CITY OF ELBERTON**SPLASH PAD FACILITY**

Engineer's Project No. 448-10A

ADDENDUM NO. 1

December 11, 2024

Bid Opening: 10:00 AM on January 15, 2024

This **ADDENDUM** is issued to institute the included changes and/or deletions to the Drawings and Specifications for the **SPLASH PAD FACILITY** project and hereby becomes a part of said Drawings and Specifications.

Where an item on the original Drawings and Specifications is amended, voided, or superseded by a modification contained in the **ADDENDUM**, the provisions of such item not specifically amended, voided, or superseded shall remain in effect.

TO ALL BIDDERS: The bidding documents are hereby modified as follows:

GENERAL INFORMATION**1. Revised Bid Opening Date:**

The bid opening date has been revised to **January 15, 2025, at 10:00 AM**, replacing the previously scheduled date of December 13, 2024.

2. Extended Questions Deadline:

The deadline for submitting questions has been extended to **January 6, 2025**.

PROJECT MANUAL**Section AM – Bid Invitation:**

Paragraph 1 has been revised as follows:

Sealed bids will be received by **CITY OF ELBERTON, GA** for the construction of **2024 SPLASH PAD FACILITY** at 203 Elbert Street, Elberton, GA 30635 until **10:00 AM local time**, on **January 15, 2025** and then at said time and place publicly opened and read aloud.

Paragraph 3 has been revised as follows:

Project Duration: The project is scheduled to be completed within the contract time of **120** days. The entire scope of work will be awarded as a single contract.

Paragraph 8 has been revised as follows:

Contractor Questions: All questions regarding the project and bid documents must be submitted electronically to the Engineer's office. Contractors should send their questions in writing to Tiffany Barry at tbarry@dccm.com. Please note that all questions must be submitted by the end of the day on **January 06, 2025**.

DRAWINGS

Clarification on Drawings:

Contractors are advised to review the correct set of bid-ready drawings dated September 30, 2024. These drawings comprise pages 1–46 and include the following:
