Job Announcement

Water/Sewer Serviceman

Posting date: July 26, 2021

Posting deadline: Open until filled

The City of Elberton is currently seeking qualified applicants for a Serviceman in the Water/Sewer Division of Elberton Utilities.

NATURE OF WORK

A Serviceman assists in the maintenance, repair and development of the city's water/sewer distribution line system.

KNOWLEDGE, SKILLS, AND ABILITIES

Basic knowledge in the operation and maintenance of equipment used in the performance of duties; the ability to lift heavy objects; follow oral and written instructions; work outdoors under a variety of conditions; and must be able to operate earthmoving equipment and hand tools in a safe manner.

SERVICEMAN I: High school diploma or equivalent; CDL certification or the ability to obtain such certification within one year of hire; experience in the distribution system or related equipment and machinery or any equivalent combination of education and experience will be considered. The pay grade for this entry-level position is a grade 7.

Serviceman II: High school diploma or equivalent; CDL certification, three years' experience working on the city's water and sewer distribution system; water or sewer distribution collection license. The pay grade for this experienced position is a grade 15.

A full copy of the job description may be obtained by contacting the City Clerk.

Compensation will be based on qualifications and experience. Applications are available at City Hall, Monday – Friday, 8AM to 5PM. Submit completed applications to the City Clerk located at City Hall, 203 Elbert Street, Elberton, GA 30635.

The City of Elberton is an Equal Opportunity Employer and a Drug Free Workplace.
